Bathroom Tile Standard - Designer-Selected tile to the ceiling in all tubs & showers
Durable Flooring – Luxury Vinyl Plank flooring in all baths
Finishing Touches – Coordinating cabinet hardware and paper holder in chrome
Full-Overlay Cabinetry – With soft-close doors, drawers, and included cabinet hardware

Energy-efficiency

Weather-ready details – Frost-proof hose bibs for all-season outdoor use without worry.
Smarter heating & cooling - Lennox 16 SEER HVAC system provides consistent performance with lower operating costs.
Upgraded insulation package – R-30 blown-in attic insulation combined with R-13 Batt insulation with energy seal package
Fresh air that saves money – A roof ventilation system lets your home breathe, protecting your roof and lowering cooling costs.
On-demand hot water, lower energy use – High-efficiency tankless Rinnai electric water heater giving you endless hot water while saving energy.
No wasted energy – Mastic-sealed, insulated ducts keep your conditioned air where it belongs — inside your home.
Lower bills, more comfort – Low-E windows with Argon Gas keep your home cooler in the summer and warmer in the winter.
A cooler attic, a cooler home – Radiant barrier roof decking keeps attic temps up to 30° cooler, reducing strain on your AC.
Every detail sealed tight – Energy-efficient caulking around windows, doors, and joints prevents drafts and maximizes efficiency.

Exterior Finishes

Polished curb appeal – Semi-gloss exterior paint in two coordinated colors for a rich, lasting finish.
Built for convenience – Minimum of two exterior waterproof electrical outlets for holiday lights, tools, or backyard fun.
Attractive accents – Composite shutters and/or architectural flower-box accents (varies per plan) add charm and character to your home's exterior.
Beautiful and durable finishes – James Hardie® siding and trim for long-lasting protection and timeless curb appeal.
Landscaping package –Full sod on standard lots. (oversized lots to receive 20' from rear of home, 10' on side yards) for a move-in ready yard.
Protected from the ground up – Our 2-10 New Home Warranty gives you peace of mind with coverage on major systems and structural elements for up to 10 years.

Warranties

Cold-Weather Protection – Frost-proof hose bibs (for homes permitted after May 2025)
Smart Fire Safety – Hardwired smoke detectors with battery backup for added protection
Builder's one-year warranty – Your first year is worry-free, with direct coverage from us on workmanship and materials.
Added protection below – The HomeTeam Pest Defense termite warranty helps protect your investment against costly hidden damage.
Floors built to last – Vinyl flooring includes a 15-year residential wear warranty, keeping your floors beautiful through everyday living.
Pfister® faucets for life – Every faucet is backed by a Lifetime Warranty on finish and function, giving you protection as long as you own your home.
Foundation Security – Anchor bolts secure perimeter walls directly to the foundation
Integrated Pest Defense – Taexx® Borate pest treatment with built-in pest control tubes throughout the home
Trusted protection on every wall – DuPont Tyvek® HomeWrap is backed by a 10-year warranty against air and water intrusion.
Strength that lasts decades – James Hardie® siding and trim are protected by a 30-year limited warranty, giving you lasting curb appeal.
Comfort guaranteed – Your home's heating and cooling system comes with a manufacturer's limited warranty for dependable performance year after year.
Built to weather every storm – Your roof is safeguarded with a manufacturer's lifetime limited shingle warranty for lasting protection against Texas weather.

Included Features

Address: 136 Road 51030 **Price:** $179,990
Collection: Heritage Collection **Floor Plan:** Prairie
Square Feet: 1,370 (m.o.l.) **Bedrooms:** 3 **Bathrooms:** 2.5 **Garage:** 1 Car

Interior Finishes

Durable Entryway – Insulated front entry door
Coordinated Hardware Selections – Chrome door, bath & cabinet hardware on all cabinets

Comfort in Every Room –Box rated fixtures and wired switches in the living room, primary bedroom, and all 2nd bedrooms
Cozy & Practical Bedrooms – Mohawk Carpet with Lifetime carpet with lifetime soil and stain resistance in all bedrooms and closets

Thoughtful Details – Sink tilt-out trays at every cabinet sink
Soaring Ceilings – Raised 9' ceilings in first-floor main living areas, dining and kitchen
Elevated Trim Details – 1" x 2" paint-grade baseboards and casing throughout the home —including the garage
Stylish Flooring – Luxury Vinyl Plank flooring throughout the entry, kitchen, living room, dining room, bathrooms, and hallways

Kitchen

Full-Overlay Cabinetry – Factory-finished with 30" uppers
Soft-Close Doors & Drawers – Premium cabinetry feature, standard in every home
Stylish Kitchen Faucet - Pfister® chrome pull-down kitchen faucet with lifetime warranty

Choice of Countertops – 3cm granite kitchen countertops with 4" backsplash
Convenient Features - Water line for refrigerator icemaker & 1/3 HP garbage disposal
Stainless Steel Samsung® Appliance Package – 5-burner range with No Preheat Mode technology, exterior-vented microwave, and quiet dishwasher

Smart Home Features

Smart Security - Front Door lock includes bluetooth enabled smart code lock from Kwikset.

Comfort from anywhere – Ecobee® Smart Thermostat automatically adjusts between heating and cooling, while giving you full control of your home's climate from any device, anywhere.

Security made simple – Kwikset® door hardware with SmartKey® technology on all exterior doors makes it easy to re-key your locks in seconds, keeping your family safe and secure.

Built Stronger, Smarter, and More Efficient!

All-season protection – Frost-proof hose bibs help prevent freeze damage.

Move-in ready convenience – Utility rooms include an electric dryer connection, saving you time and hassle.
Storm-ready strength – Anchor bolts secure walls to the foundation and are inspected by a 3rd party engineer
Framing you can trust – Structural framing members are designed and inspected by independent engineers for superior integrity.
A fresher kitchen – Exhaust vented to the outside removes cooking odors, smoke, and moisture; not recirculated like in many homes.
Foundation built to last - Enhanced post-tension foundation designed and inspected by a 3rd-party engineer for long-term strength and durability.

Stronger walls – 2x4 Hem-Fir stud-grade lumber placed 16" on center for consistency and durability.
High-efficiency comfort systems – Lennox® 16 SEER HVAC delivers reliable comfort with lower operating costs.
Smarter plumbing – Expandable AquaPEX water lines resist leaks and outperform traditional plumbing materials.
Weather-protected exterior walls - OSB walls wrapped in Dupont Tyvek® with a 15-year warranty protect against moisture and drafts.
Air-tight ductwork – Mastic-sealed, insulated ducts keep your conditioned air where it belongs, improving efficiency and indoor air quality.

Built Beyond Code. Verified Twice.

Strength from the ground up – Your post-tension foundation is engineered and inspected twice by independent engineers, providing lasting durability and peace of mind.

Framing you can trust – Structural framing members are designed and inspected twice by independent engineers, ensuring your home's structure is sound, safe, and built to last.
